NATURALLY BOULDER'S COVID-19 EVENT POLICY

At this time, there is no requirement from [Boulder County Public Health](#) to cancel events. However, given the fluidity of the COVID-19 situation, Naturally Boulder will communicate any sudden changes to our event schedule via email, [Google Calendar](#) and social media. Please [sign up for our email communications](#) and follow us on [Facebook](#), [LinkedIn](#), [Twitter](#) and [Instagram](#) for the latest information. If you do not hear from Naturally Boulder, you can assume that our events schedule will continue as planned. We ask that event attendees practice disease prevention methods at all times (please review [CDC prevention methods](#)). If you do not feel comfortable attending an event, please contact events@naturallyboulder.org to request a ticket refund.
